**“Passion For PAWS” Pet Food and Supplies Drive Supports Furry Friends of  
Meals on Wheels Yolo County’s Homebound Seniors**

The “Passion For PAWS” pet food and supplies drive is ongoing across Yolo County through December 31, supporting local food insecure seniors and their furry companions, as part of Meals on Wheels Yolo County’s (MOW Yolo’s) ongoing MOW PAWS - Pets and Well Seniors program.

“Pet food, like everything else, is expensive, but Chiquita is my baby,” shared MOW Yolo meal recipient Frank Valenzuela, a widower from Woodland. “Even though the food is expensive. I will do anything for my baby Chiquita.”

A part of MOW Yolo’s annual “Season For Seniors” campaign, the “Passion For PAWS” drive is intended to advance MOW PAWS’ year-round impact, recognizing the important role that a pet often plays in relieving isolation for mobility-limited, homebound seniors, as well as the fiscal burdens that can be incurred by these older adults to care for their pets. If pressed to choose, MOW Yolo has discovered that many seniors will prioritize their pets' nutrition ahead of their own.

"More than 50 local seniors, such as Frank, and their 90+ pets, such as Chiquita, currently depend upon the MOW PAWS program for pet food and supplies, explained MOW Yolo Programs Manager Kathy Tuel. “These deliveries are crucial not only for the pets' well-being, but also for maintaining the human-animal bond, which is essential for the social health and emotional support of these seniors.”
